Re: *Bucciero, et al. v. Amrock, LLC*  
Civil Case No. 7:23-cv-4953

Dear Judge Halpern:

We represent Defendant Amrock, LLC in the above referenced matter. On behalf of all parties, and in accordance with Rule 1(C) of Your Honor's Individual Rules, we write to respectfully request an additional two-week extension of the parties' deadline to jointly submit Proposed Jury Instructions and a Verdict Sheet.<sup>1</sup> These pre-trial submissions are currently due on March 21, 2025, however, additional time is needed for the parties to confer further regarding several outstanding issues. *See* ECF Dkt. No. 163. The parties have jointly requested an extension of this deadline three times, as we have continued to work collaboratively to narrow the scope of such issues. And the Court graciously granted these requests. ECF Dkt. Nos. 151, 155, 163. Since the last adjournment request, the parties have met and conferred several times, and continue to make progress on the instructions. No other deadlines would be impacted if the Court were to grant the instant request, as the next pre-trial conference scheduled before Your Honor is on May 7, 2025.

We thank the Court for its consideration and attention to this matter.

Respectfully submitted,  
JACKSON LEWIS P.C.
